Leadhand Kelly Johnson was welcomed to the table. Timesheet reports for the period of October 3rd to the 16th, 2009 and October 19th to the 30th, 2009 were reviewed. There were no issues or concerns.

The Equipment Report for 2009 was reviewed. The condition of the 1991 Champion Grader was discussed. The grader occasionally shreds a belt and Council inquired as to what is being done. Most of the belts in the grader have been changed, however the problem has not been identified. The roads crew will continue to monitor the situation. The grader is one of the hardest worked piece of equipment in the Roads Department. Pricing for a new grader was discussed. It is estimated that a grader can be purchased for approximately \$125,000.00, which would be minimum three years old, or new for just over \$200,000.00.

The compactor truck at the disposal site was discussed. The roads crew has recently changed the oil in the truck. Mr. Johnson was asked to construct wheel chucks for use at the disposal site when the truck is stationary and in operation.

Roadwork in general was discussed. The roads crew has been out grading most of the roads and all roads are looking good. The Infrastructure Stimulus Fund signs have been installed. A few culverts have also been installed. A bit of brushing can still be done, budget permitting.

The possibility of an ice storm and the readiness of the Roads Department was discussed. Sand is stock piled in the yard, and if required, emergency contacts numbers are available if more sand is required after hours.

Since there is no policy in place a policy will be drawn up and brought to Council in the new year.

Acting Mayor Racicot returned to the table and resumed the meeting.

The policy regarding hall rental fees was discussed. Currently the O'Connor Community Club, O'Connor Women's Institute and the O'Connor Fire Department Auxiliary are recognized as non-profit groups and are required to pay hall rental rates for fund raising functions. Council reviewed this policy and have decided that reference to these groups will be removed from the policy and rental fees will be waived as the fund raising event benefit this community directly. By-Law 2002-17 as amended will be amended to reflect these changes. The policy and by-law will be brought to the next meeting for approval.
