

THE CORPORATION OF THE TOWNSHIP OF O'CONNOR  
BY-LAW NUMBER 2009-09 as amended

Being a By-law to prohibit and regulate Noise in the Corporation of the Township of O'Connor.

WHEREAS Section 129 of the Municipal Act, 2001 authorizes municipalities to prohibit and regulate noise and other nuisances.

AND WHEREAS the Council of the Corporation recognizes that balance must be achieved between the clash of individual interests that arise in modern municipalities, and that the existence of organized society depends upon the principle of "give and take".

AND WHEREAS it is considered necessary and expedient to replace By-law #839 of the Township of O'Connor.

THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF O'CONNOR  
ENACTS AS FOLLOWS:

**Article 1.00: Interpretation**

1.01 Definitions: Wherever a term set out below appears in the text of this By-law with its initial letters capitalized, the term is intended to have the meaning set out for it in this Section 1.01. Wherever a term below appears in the text of this By-law in regular case, it is intended to have the meaning ordinarily attributed to it in the English language.

- (a) **By-law** means this By-law, including its recitals and schedules, which form integral parts of it, as amended from time to time.
- (b) **Compression Brake**, also known as "engine compression exhaust style brake", refers to a system by which vehicle braking is achieved by using the engine compression stroke to slow the vehicle drive wheels by opening an exhaust valve at or near the end of the compression stroke thereby turning the power-producing engine into a power-absorbing air compressor.
- (c) **Construction** means the erection, alteration, repair, dismantling, demolition, structural maintenance, painting, moving, land clearing, earth moving, grading, excavation, blasting and detonation of explosive devices other than fireworks, the laying of pipe and conduit whether above or below ground level, street and highway building, concreting, equipment installation and alteration and the structural installation of construction components and materials in any form or for any purpose, including any associated or related work.
- (d) **Construction Equipment** means any equipment or device designed and intended for use in construction or material handling, including: air compressors, pile drivers, pneumatic or hydraulic tools, bulldozers, tractors, excavators, trenchers, cranes, derricks, loaders, scrapers, pavers, generators, off-highway haulers, trucks, ditchers, compactors and rollers, pumps, concrete mixers, graders or other material handling equipment.
- (e) **Corporation** means The Corporation of the Township of O'Connor, a municipal corporation duly incorporated pursuant to the laws of the Province of Ontario.

BY-LAW NUMBER 2009-09 (con't)

- (f) **Council** means the elected municipal council of the Corporation.
- (g) **Emergency** means a situation or an impending situation, often dangerous, caused by the forces of nature, an accident, an intentional act or otherwise, which arises suddenly and calls for prompt action.
- (h) **Motor Vehicle** means an automobile, bus, truck, motorcycle, motor assisted bicycle and any other vehicle propelled or driven other than by muscular power, but does not include a traction engine, farm tractor, other farm vehicle or road-building machine.
- (i) **Municipal Law Enforcement Officer** means any person duly appointed to enforce the provisions of this By-law or any member of the Ontario Provincial Police.
- (j) **Municipal Service Vehicle** means a Motor Vehicle operated by or on behalf of the Corporation while the Motor Vehicle is being used for the construction, repair or maintenance of a highway, including the clearing and removing of snow or other municipal purpose.
- (k) **Noise** means sound that is unusual or excessive, or that is reasonably unwanted by or disturbing to persons, in the circumstances within which it occurs.
- (l) **Premises** means any land or building which is not a Residence.
- (m) **Residence** means a room, suite of rooms, or dwelling, operating as a housekeeping unit that is lawfully used as a domicile.
- (n) **O'Connor** means the geographic area within the jurisdiction of the Corporation.
- (o) **Utility** means a system that is used to provide a utility service to the public, including electricity, telephone and communications networks.
- (p) **Utility Service Vehicle** means a Motor Vehicle operated by Hydro One, TBayTel, or any of their subsidiaries or other companies or agencies that supply or manage a Utility within O'Connor, while the Motor Vehicle is being used for the construction, repair or maintenance of that Utility.

1.02 **Legislation, By-laws:** Each reference to Provincial legislation in this By-law, unless otherwise specified, is a reference to the Revised Statutes of Ontario, 1990 edition, and, in every case, includes all applicable amendments to the legislation, including successor legislation. Each reference to another by-law in this By-law, unless otherwise specified, is a reference to a By-law of the Corporation, and, in every case, includes all applicable amendments to the By-law, including successor by-laws.

1.03 **Construing this By-law:** The captions, article and section names and numbers appearing in this By-law are for convenience of reference only and have no effect on its interpretation. This By-law is to be read with all changes of gender or number required by the context. The words “**include**”, “**includes**”, “**including**” and “**included**” are not to be interpreted as restricting or modifying the words or phrases which precede them.
